**"This Ole House"** (sometimes spelled "This Old House") is an American popular song written by Stuart Hamblen, and published in 1954. Rosemary Clooney's version reached the top of the popular music charts in both the US and the UK in 1954. The song again topped the UK chart in 1981 in a recording by Shakin' Stevens.

Hamblen recorded the song in March 1954 and released it as a single in May 1954. It became very successful, peaking at number two on the *Billboard* Country & Western chart, as well as being a top-30 hit on the Hot 100, known then as the Best Sellers in Stores. It was his last hit on the country charts, and with the royalties, he bought the mansion that had been owned by the late Errol Flynn.
